Science Alliance for Valuing the Environment

S·A·V·E

2026-2027 FREE Public Lecture Series

NO REGISTRATION REQUIRED • IN-PERSON AND ZOOM

Let's Talk Spirituality:
Rediscover Ancient Roots in Our Evolutionary Story of Love and Transformation

UN Sustainability Goal #15: LIFE ON LAND

Tuesday, November 10, 2026 • 7 - 8:30 PM (ET)

Franciscan Center Board Room

Sylvania, Ohio

Join Esther Kennedy, OP, MSW, an Adrian Dominican Sister, for an exploration of spirituality, mindfulness, and the evolving relationship between science and religion. Drawing from her experiences with Eastern and Western spiritual traditions, including time spent in India and Indonesia, Esther invites participants to consider the new cosmology and the shift in consciousness needed for our time.

Together, we'll explore how ancient spiritual wisdom can inform a life rooted in gratitude, openheartedness, compassion and joy.

Esther Kennedy,
OP, MSW
Adrian Dominican Sister
