

2022-2023 FREE Public Lecture Series

NO REGISTRATION REQUIRED • IN-PERSON AND ZOOM

Current Government Research Into UFOs

Military Encounters Indicate Potential Effects on Crew

UN Sustainability Goal #3: **GOOD HEALTH AND WELL BEING**

Tuesday, September 13, 2022 • 7:30 - 9:00 PM

Franciscan Center Boardroom

Thomas Wertman has always had a lifelong interest in the unknown. In 2008 he joined the Cleveland Ufology Project (CUP). He stepped down as Director of this group in 2018 to allow more time for private UFO research. In 2008 he, also, became a member of the Mutual UFO Network (MUFON) advancing from field investigator to the State Director of Ohio. He has investigated over 300 cases in Ohio alone and over 230 investigations in Canada, the United Kingdom and Puerto Rico for MUFONS Case Assistance Group. He has given over 200 community outreach programs, is a featured guest presenter on radio and television and hosts a talk show weekly on Monday evenings.

He comes to S.A.V.E. to share many experiences with us which may spark a personal interest in the unknown. We can come to see new insights in our focus on ecology, sustainability and spirituality and link to the UN Sustainability Goal #3- Good Health and Well Being.
